Saegertown Area

Jr. Sr. High School

Saegertown, Pennsylvania

Another school year passes by. For students, time is essential; we are regulated by it and inevitably we are changed by it. Many of the changes which occur are influenced by those with whom we interact; teachers, administration, students-friends. Somehow we never find ourselves in the same place at the end of the school year that we did at the beginning, and when we look back we can't always pinpoint when or why our attitudes and ideals changed, for these changes are as sure as the passing of the seasons. Just as seasons change, we ourselves conform to new ways and beliefs when it is our time to adjust.

Our year begins . . .

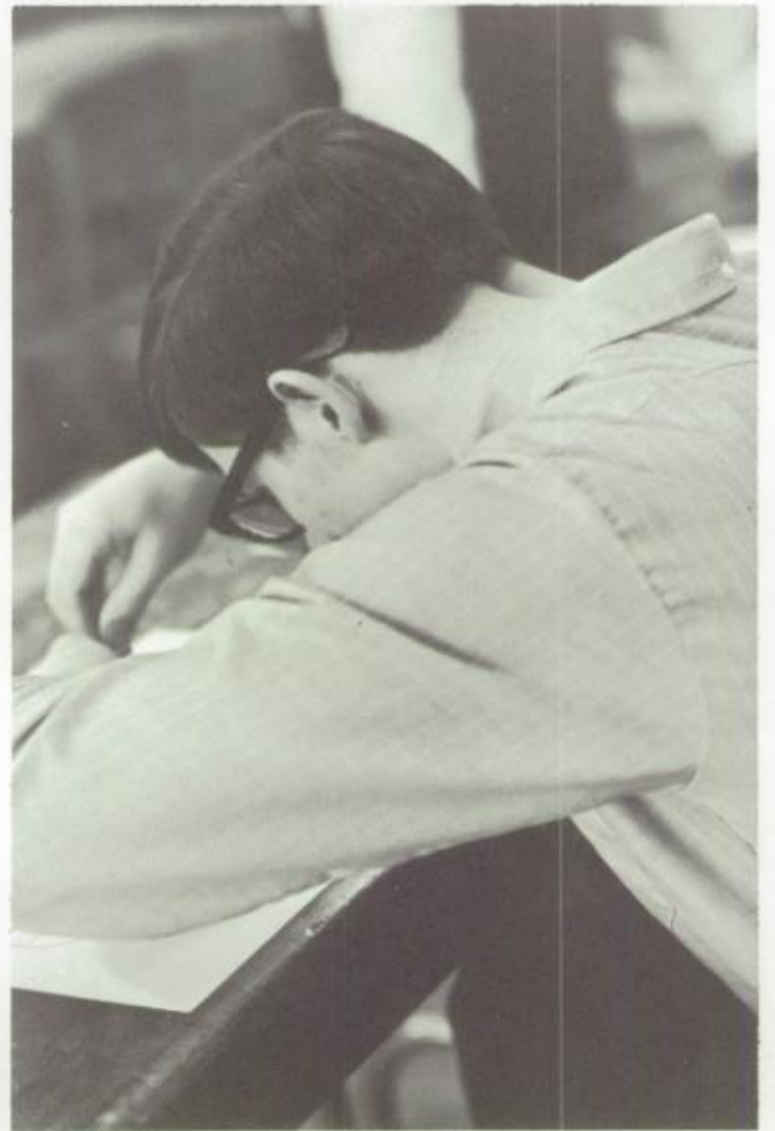

. . . . and things begin to happen!

ADMINISTRATION

Some of them are close friends . . . They have
taught us . . . and lead us . . . they advise . . .
they reprimand . . . they have feeling for
us . . . and affection.

AND FACULTY

Never in past generations has the need for education been so necessary as today. Those who shall soon leave, will too learn that today's knowledge shall be obsolete tomorrow, but the skill of learning can be used forever.

Teachers are inspired with the innate desire to impose that skill of learning to meet today's requirements; however, the student of life will acquire for his needs, tomorrow's knowledge for survival.

"... and be sure that all rooms with leaky roofs have buckets that don't leak!"

ADMINISTRATION

Mr. Walter H. May, High School Principal

Mr. Harold Osborne, Guidance Counselor

Mr. Carl J. Maurana, Ass't Supervising Principal

The position of Assistant Supervising Principal was created to assist the Supervising Principal with the ever growing administrative duties of his office.

The assistant Supervising Principal is responsible for administering all of the Elementary and Secondary Education Acts of Title I, Title II, and other programs. During the summer, the Assistant Supervising Principal is responsible for administering the summer school programs sponsored by the Board. During the school year his duties are varied and is responsible for the Tutorial program for the Bethesda Home pupils. With the growth of the Saegertown Area School System his duties will be altered to meet the administrative needs of the school district.

Mr. George M. Davies, Supervising Principal

Will miss you at 3:20 everyday!

Our football team was a combination of the remaining letterman and the efforts of many new players to the Varsity Squad. Coach Merle Darcangelo and his assistants had their hands full to obtain the right combinations to try to spark the team to victories. In spite of the tremendous schedule for this year, the Panthers managed a record of 1 win, 7 losses.

Our 1968 Football Cheerleaders should be commended for a fine job in promoting school spirit. During the past year the cheerleaders attended a cheering clinic which had the theme of "How To Be A Cheerleader." It takes much time and effort to be a good cheerleader. Most of these girls have given three nights a week for the benefit of the school. Our cheerleaders deserve recognition and a heap of thanks from the entire student body. Special recognition should be given to Frances Dronko for giving more than her share of time to building and making the cheerleaders into a good squad. The sudden change in coaching was handled efficiently by the girls.

The five lovely girls competing for 1968 Homecoming Queen were presented to an anxious student body in a well-received assembly. Mark Lawrence announced the 1968 Homecoming Queen as Janet Wolo-shen. Amid the cheers and applause Queen Jan was crowned by student body president, Mark Lawrence.

During the half-time the Queen was pre-sented to a large crowd at the football game, where Queen Jan received a dozen long-stemmed red roses.

A post-game dance was held in honor of Queen Jan and her court. Thus ended a successful Homecoming for 1968.

BASKETBALL '68-69

Our Senior squad members . . .

JUNIOR VARSITY — R. Bidwell, C. Baker, R. Wilson, P. Gall, R. Stearns, F. Steiger, J. Lawrence, D. Baldwin, R. Knuth, L. Kircher, Coach: Richard Baker, (not shown)

"Rebuild" was the theme of the 1968-69 basketball team, as the scrappy Panthers faced a strong county league all bent on capturing the County Championship. Under the able coaching of Harry McCarthy, Varsity coach, and Richard Baker, Jr. Varsity coach, the squads fought valiantly to place favorably in the standings. However, as the scores show, the year was a losing one as far as concrete victories were concerned.

Teams, however, must rebuild, and it is on this note the Panther hopes lie. We again lose a host of seasoned Seniors through graduation, and so we must look hopefully to our upcoming Juniors and Sophomores for a better year next year.

Our victories, while not actual ones, were in many games played against very strong opposition . . . the "never-quit" attitude displayed by the team. This, then, is our consolation . . . to rebuild for a greater Panther team!

1969 WRESTLING TEAM

As the season ended, Terry Mulligan (127 lbs.) and Don Scott (154 lbs.) captured Section II championships in their respective weight classes at General McClane High School. Scott was outpointed in the semi-finals of the District 10 tournament at Meadville.

Mulligan lost a decision in the district finals to Kopta (Commodore Perry) who went on to represent the 127 lb. weight class at the Regional Tournament at Altoona, Pa.

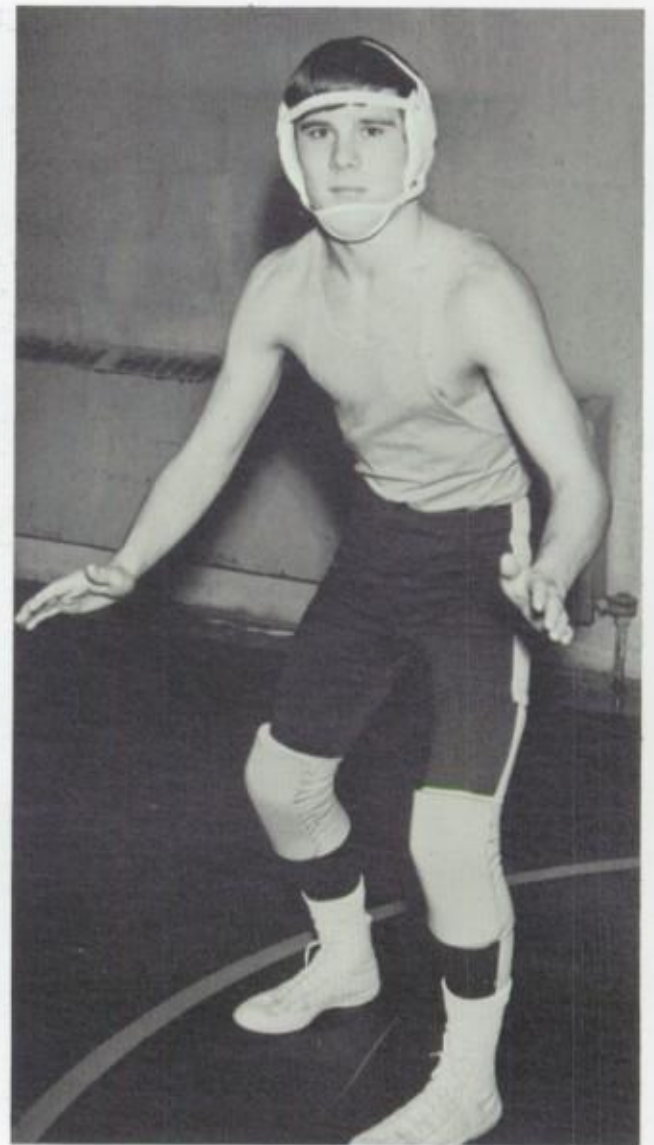

Both Mulligan and Scott will return to the Saegertown mats again next year.

Something New . . .

Senior, Ruth Braymer

Once again the Panthers were triumphant as the wrestling team pinned down the league title. The boys were supported more this year than in the past. Both fans and wrestlers displayed superb sportsmanship.

Our wrestlers with outstanding records were: Sophomore Chuck Zirkle, (8-0), Freshman Chuck Gerhart, (10-2), Freshman Al Price, (10-1-1), Sophomore Terry Mulligan, (11-0), Junior Don Scott, (11-1) Junior Ike Williams, (8-3-1), Senior Chip Price, (7-2), and Senior Don Haemer, (7-2).

What's in store for next year? Well, only three varsity wrestlers are graduating; Chip Price, Dave Miller, and Don Haemer. There will be five freshmen, four sophomores, and five Juniors returning!

Things look bright for the future Panther Wrestling team!

PANTHER GOLFERS CAPTURE FIRST PLACE TITLE

Saegertown High School won its first Crawford County League Golf Championship at the Park Golf Course despite a late surge by defending champion Linesville in a series of five tournaments.

The Panthers picked up 57½ points in the final tourney to finish with 323½ to L.C.S.'s 303½. Saegertown outscored all teams in the first four tournaments.

Mike McCrory fired an even par 72 to pace Saegertown to its championship. The senior hitter finished the series with a 74 average, good for first place in medalist race. Mike was followed by Bruce Curry, Ralph Wilson, and Rick Edwards, all juniors. Gus Darcangelo also a strong hitter was a sophomore.

SHS coach Dave Boyd said, "We had a very-well balanced team this year. Of course, Mike McCrory led the way, but others all shot consistent golf."

BASEBALL '68

Our 1968 baseball team was comprised of many talented players. The team batting average was .233 with 58 hits and 48 runs scored. John Rice led the team in batting with a .423 average. The pitching was handled by Dave Dearborn 3-0, Steve Darcangelo 1-2 and three saves in relief pitching, Dan Cole 2-1, John Rice 0-1, and Tom Wolfe 0-0. The season ended with a record of 6 wins and 4 losses.

MARCHING BAND '68

Mr. Cavett, Mr. Orr, Mr. Maurana

The 1968 marching season began in May with two local parades. Throughout the long, hard season, they performed at various parades all over the state and many field shows such as New Bethlehem and Edinboro. They were asked to play for a speech given by President Nixon in Erie. The band ended the season with a halftime performance for the Toronto Argonots in Toronto, Canada.

Majorettes . . .

Our fast-twirling, snappy set of majorettes this year are shown opposite in one of the few moments they are found immobile. These girls are a welcome sight when they precede the fast-stepping marching band. This year they are directed by Mr. Richard Orr. Josey Szmyd, a senior, ended her 3 year position as drum majorette, this season.

The senior high choir includes boys and girls from grades nine through twelve. There are fifty-one members in the choir and they are divided into four basic groups: soprano, alto, tenor, and bass. The choir appears in all of the concert performances and this year has added a winter children's concert which is performed for the students at the Brookhouser Elementary School.

The choir also this year added to their performing chores two extra Christmas programs which were presented at the City and Spencer hospitals in Meadville.

The officers for the choir are Brett Crannell, president, Ruth Schmalzried, Vice-president, Mary Francis Hart, secretary, and Kathy Hoegerl, treasurer.

The Saegerteens, Karen Orr, Crystal Reichel, and Diane Nageotte, is the girl's trio from school which performs for clubs, banquets, meetings as well as the usual musical performances at school. The trio has sung at P.T.A. meetings, at the Holiday Inn, YWCA and for clubs in Town. The Saegerteens specialize in popular music and show tunes but also include traditional classic and religious numbers in their repertoire.

This year six members from the senior choir were selected to represent Saegertown at district chorus held at Iroquois High School in Erie. Those chosen were: Beverly Schnarrs, Soprano I; Karen Orr, Soprano II, Mary Francis Hart, Alto I, Diane Nageotte, Alto II, Jim Peters, Tenor I, and Dan Jordan, Bass I. District chorus was held February 20, 21, and 22 and the students were accompanied by Mr. Orr while at the festival.

The senior high girls' ensemble is made up of thirteen girls in the eleventh and twelfth grade. The members are chosen by audition and work on both more serious and more advanced song material. The girls' ensemble performs for assemblies, Christmas and spring concerts, recitals, variety show, and club meetings. This is a new addition to the Saegertown music department for this year.

The junior high chorus is made up of students in the seventh and eighth grade. There are ninety-four members in the group. The activities for the year for the chorus include the Christmas concert and play; assemblies, variety show, and spring concert. The junior chorus is directed by Mr. Orr and accompanied by Patricia Schmalzried, Ronald Carrier, and Mark Munson.

The Castle.

The dancing couples in the softly medieval surroundings.

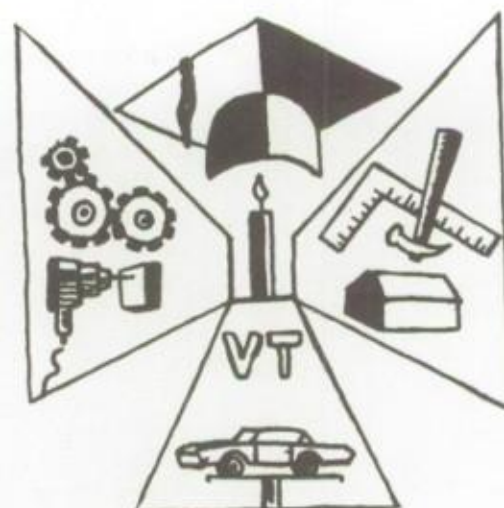

The 1967-68 Prom entitled "Camelot", was held at the Holiday Inn on May 18, under an atmosphere of medieval romance. Five Sophomore girls were chosen as prom aides, dressed in the array of court ladies. They were Barb Hopper, Carol Humes, Darlene Bradshaw, Bev Schnarrs, and Kathy Swinkola. A silver castle and draw bridge, accented in blue lights, served as a background for the setting. A king and queen were chosen from the seniors present by the faculty. The reigning queen and king were Kim Marley and Bob Braymer. The evening proved to be a big success.

Crawford County Area Vocational Technical School

The 1968-69 school year marks the beginning of a new phase of education at Saegertown Area H.S. A total of 70 students, both boys and girls, have begun a curriculum that will lead them through the several phases of technical training that will prepare them to enter their respective fields upon graduation.

The "Vo-Tech" school is a department of our own high school and in this capacity it offers the opportunity to our high school students to obtain trade training so that a saleable skill can be learned prior to high school graduation. The students spend half of their school day here at Saegertown, the other half at the Vo Tech school in Meadville, Pa.

Selection for acceptance at the Vo Tech school is competitive as the allotted student ratio for Saegertown H.S. is 70 students. Competition is keen and selection must be made on the basis of grades and aptitude. Students selected must be serious and apply themselves, for the vacancy they are filling at the school is a coveted one.

The students at Saegertown, and their respective courses, are listed below:

WORK-STUDY PROGRAM

Students in the Occupational Education class of the Special Education Department have been taking part in a work-study program this year.

The purpose of the program is to introduce our students to the "world of work." In this program, the school attempts to acquaint young people of working, or near-working age with a variety of jobs and the difficulties and opportunities which are in front of them in their future employment. We hope it will better prepare them to accept their role as a self-supporting adult and for a good citizen.

Seventeen students have been employed in local industries and businesses on a half-day basis. Cooperating employers are: The Cottage Restaurant, Wolff's, City Hospital, Spencer Hospital, Saegertown Pattern Co., Lew Davies Pontiac, Pearson-Lincoln Mercury, Weber-Harris Ford.

First year students are used as janitorial assistants in all of the Saegertown Schools.

Transportation to and from the job is provided by the school.

Students are observed weekly, and graded on their work by their employer and Mr. Sharpe.

The program is supervised at the state level by the Bureau of Women and Children, the Department of Labor and Industry, the Bureau of Special Education, and the Department of Public Instruction.

The Bureau of Women and Children issues a special license for payment of subminimum wages to the student during school hours.

The students are required to attend classes in the morning and achieve successfully in the following academic subjects: math, history, English, and job training.

Mr. David Sharpe, Director of Occupational Education

David Heffern Assists in pattern making and janitorial work at Saegertown Pattern Co.

Tom Bronzo prepares new Ford trucks for showroom display.

Karrin Bump prepares clean laundry for patients at City Hospital.

REWARD OF SERVICE

THE SWEETEST lives are those to duty wed,
Whose deeds both great and small
Are close-knit strands of an unbroken thread,
Where love ennoble all.
The world may sound no trumpets, ring no bells,
The Book of Life the slurring record tells.

Thy love shall chant its own beatitudes,
After its own like working. A child's kiss
Set on thy singing lips shall make thee glad;
A poor man served by thee shall make thee rich;
A sick man helped by thee shall make thee strong;
Thou shalt be served thyself by every sense
Of service which thou renderest.

Aviation Education at Saegertown!

The second semester of the 1968-69 school year marked the beginning of Aviation Education at Saegertown Area H.S. The approval of the school board, eighteen selected high school students, and an instructor was all that was needed to give impetus to still another new phase of the curriculum in the high school.

The Aviation Education course is based on the belief that students in this school should be given the opportunity to become literate in the dominated transportation of our nation and world; he should be given basic, factual knowledge which will help him gain insight into the implications of aviation on the social, political, economic and technical facets of society; he should have the opportunity to survey the many vocational and career possibilities for himself in this growing industry; he should become aware of aviation's potential to serve him as a user

of transportation in his work and recreation; and he should recognize his civic responsibilities in supporting and promoting the aviation industry at all levels.

The new program at the High School was set up to include all necessary information needed for the student to successfully pass the Federal Aviation Agency's Private Pilot's Examination. All the students were required to take this FAA administered test. In addition, the general aviation industry was surveyed by the use of FAA films and recordings, and other appropriate literature.

Highlights of the semester course were invited consultants, a field trip to Erie International Airport, and an actual "student-navigated" flight in the Cessna "Skyhawk", (pictured on opposite page) from Port Meadville Airport.

Instructor for the course was Mr. Richard Baker, who holds a current Private Pilot's rating.

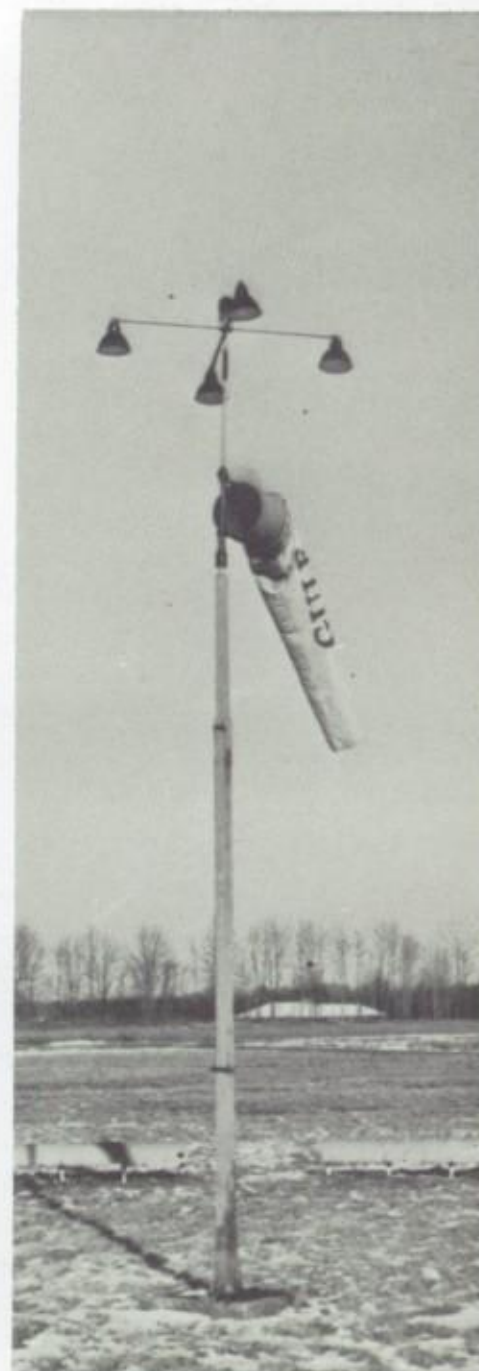

The door to the future!

The year of 1968 will not be remembered as a gentle one. Like the rebellious youths whom it spawned in such abundance, the year's unruly brood of surprises tore into the public tranquillity with an apparent vengeance. At time, under 1968's hammer blows, it seemed almost routine for traditions to be upset, expectations jarred, proprieties offended, the frontiers of man's experience pushed outward, and the hopes or even lives of prominent men cut abruptly short.

Almost everywhere, the established order seemed to fall under heavy challenge, waver for a moment and then manage to hang on. In Czechoslovakia, Alexander Dubcek's new government sent fresh breezes of liberalism wafting into the Communist world, only to be stifled by a stunning Soviet invasion. In France, a virtual revolution of students and workers very nearly brought the redoubtable Charles de Gaulle to his knees. And in the United States, young people disgusted with ancient methods of running universities and selecting Presidential candidates forced major re-appraisals of each.

Often it appeared that tensions long pent up could be released only in tragic spasms of violence. Twice, assassins' bullets struck down leaders struggling for social and political reform; the grimmest memories of 1968 will undoubtedly be the moments when the world first heard of the murders of Martin Luther King Jr. and Robert F. Kennedy. Violence bred violence in its turn. The King killing was followed by a fiery outburst of Negro rioting that scourged more than 130 cities. And the Democratic Party struggle wound up, twelve weeks after Kennedy's death, in flailing nightsticks and spraying Mace on the streets of Chicago.

Even familiar public personalities insisted on doing the unexpected. Lyndon Johnson withdrew from an election, and Richard Nixon won one. Jacqueline Kennedy shocked a host of idolaters by marrying 62-year-old Greek shipping magnate Aristotle Onassis.

The most cheering surprises of 1968 were saved for the last-act curtain. The Paris peace talks actually seemed ready to begin if a proper shape for the conference table could ever be devised. The crewmen of the U.S.S. Pueblo, held captive for eleven months after their ship was boarded on the high seas, were suddenly released by North Korea. Most astounding of all, a 33-foot-long spacecraft named Apollo 8 carried three men beyond earth orbit for the first time, on an incredible, half-million-mile journey that looped them around the moon on Christmas Eve, and then brought them safely back.

This was 1968's crash course in the pains and wonders of the unforeseen—the tragic as well as the miraculous. And 1969? We look forward to keeping up with its twists.

Our Special "Ladies in White!"

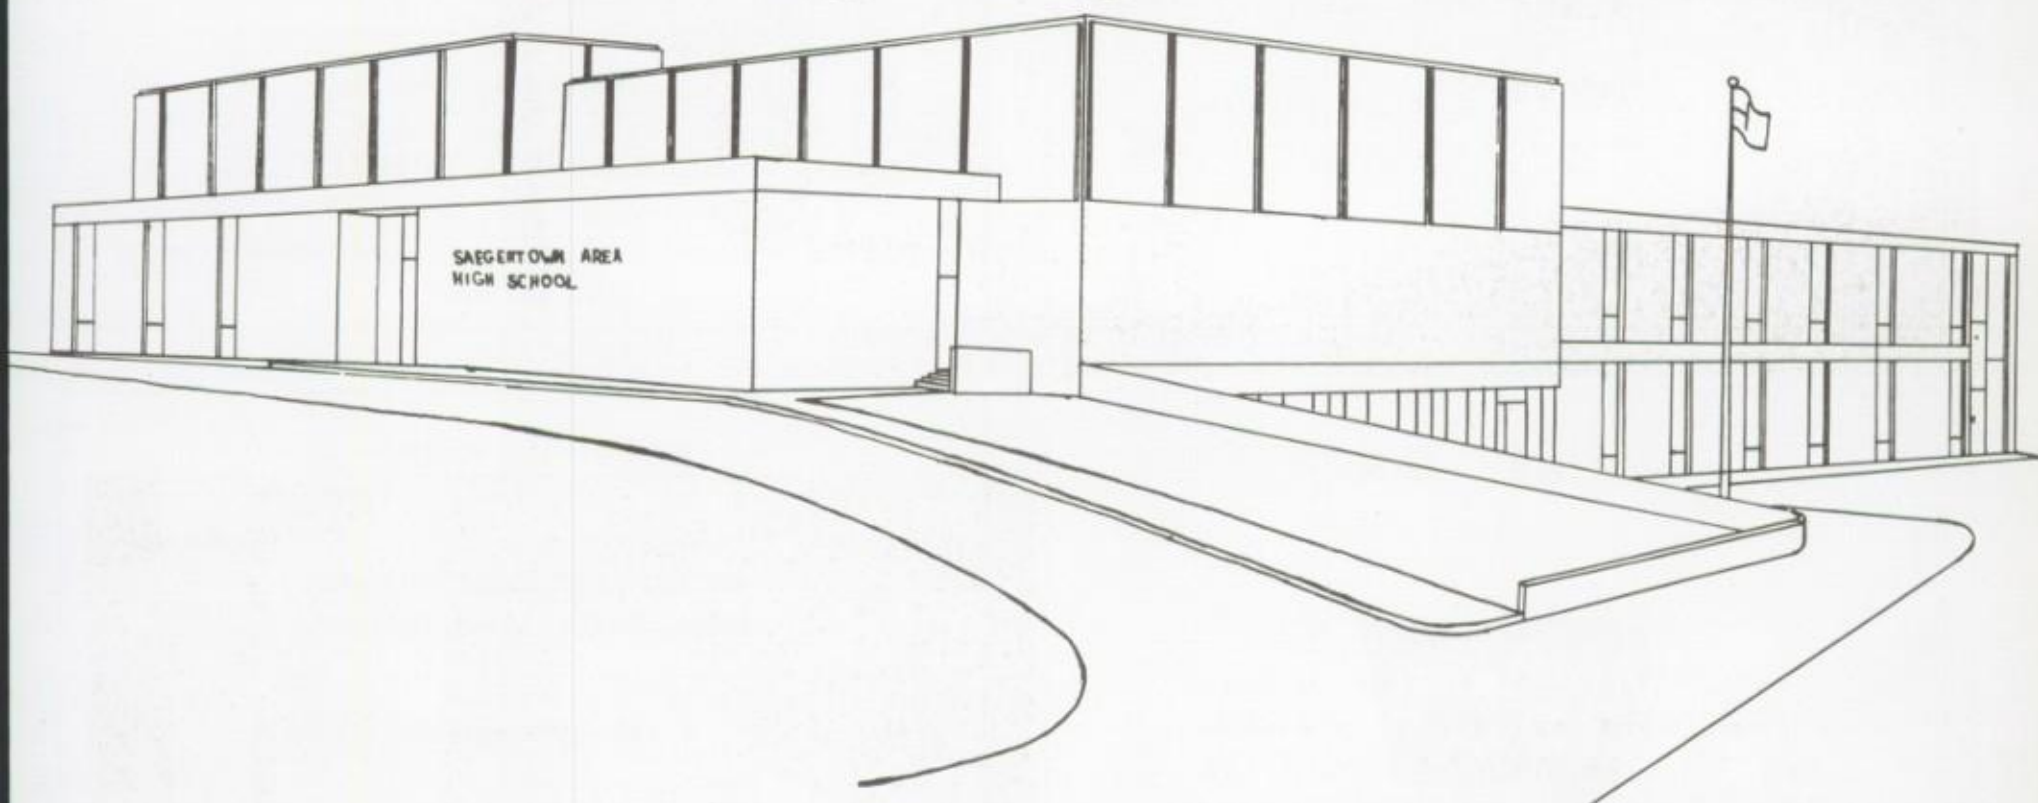

Our "ladies in white" are a very necessary and welcome group in our school environment. The ladies above, left to right; Mrs. Helen Flick, Mrs. Thora Schmitt, Mrs. Joyce Haemer, Mrs. Martha Vaughn, and cafeteria manager, Mrs. Martha Hannold, serve us daily with a menu that is a highlight of the day. Such lunches as "turkey tetrazinni", and other provocative titles, keep our days much brighter.

Our school nurse, Mrs. Eileen Darcangelo, can be seen (if you observe closely) in her daily, hectic routine of chasing down cuts, bruises, bumps, and other asundry ailments between three schools. Without her, we would all feel very uncomfortable.

... and away we go!

On behalf of the yearbook staff, students, faculty, and parents of Saegertown Area High School, I wish to thank the patrons and advertisers who helped to make our financial burden lighter.

A school annual is a memory book of happenings that occur in every students life only once. As the years go by, memories fade, but, hopefully, this annual, written and edited by our yearbook staff, will recall some of those memories.

Richard D. Baker,
Advisor

A portion of the photography for this year's annual was done by Gary Williams, senior, above right, who has served in this capacity for three years. His duties included the covering of the many sports and social events that occurred throughout the years, as well as making trips with the band to Erie, Pa., and to Canada to take pictures, such as the one shown below. Gary also has worked for the Tribune Newspaper photographers, taking pictures for them in their absence, for use in the newspaper.

Above, left, Duane Barrall assists Gary in the dark room.

each step out in the world is harder in
but you can do it if you have some faith in
yourself. Remember your Boy Scout laws and you
will make out O. K. in everything. Are you sure
you made that grade in the paper? I love you

Bill,
Good luck

cool kids you're graduating with. Keep your
smile and determination & you'll go far. Things won't
be so easy out of school, but if you can get on the honor
Roll this time, you can do it again. I think Dad and Mom are
pretty proud of ya. Good luck with the lucky girl of
your life, no matter who she is. Keep your sense of humor
and never forget those candid pictures your love to take of
me at 2:30 A.M. (the one with my mouth hanging open.) But
there's alot of them, huh?! Including the one of me and
Dave S. at 1:30 A.M! Never forget that wacky weekend!
I won't! Write to me when ya get into the Air
force, if ya pass your physical. If ya don't,
write anyway!! It'll be nice to hear from
ya!! Don't forget that I'll be nice to hear from
be my brother!! If not, you will be
